

Psychoco 2023

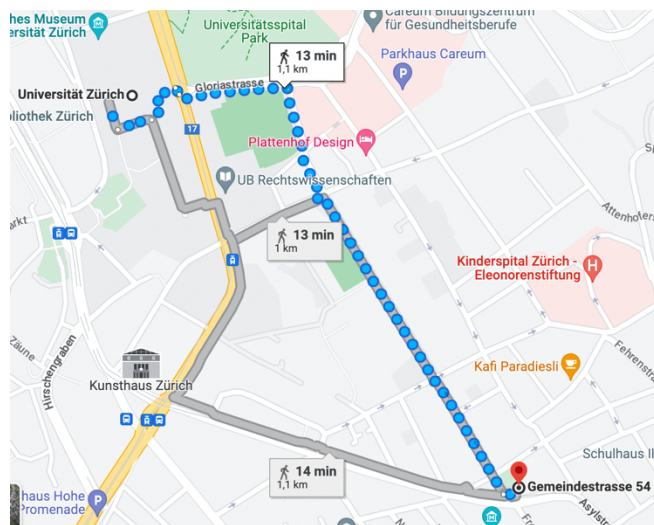

Open Mic Music Night with snacks and drinks at the Gemeinschaftszentrum Hottingen, Gemeindefstrasse 54, 8032 Zürich,

Friday June 9, 18:30h

Because many regular Psychoco attendees enjoy playing music and/or singing, we will have an "Open Mic Music Night" with free snacks and drinks on Friday night. A piano, at least one ukulele and probably also a guitar will be available. If you want to perform, just bring your sheet music/lyrics with you - or join in spontaneously!

How to get there from the University of Zurich Main Building

By foot (approx. 15 min. walking time)

You'll start from the main entrance of the UZH main building, which is located at floor E with the big swinging doors. From the main entrance, you want to take a right and cross the street and walk down the Gloriosastrasse. (To your left, there should be a little park and to your right, there should be an outdoor sports area.) At the next intersection, you'll take a right onto the Freiestrasse and follow this street straight ahead for about 700 meters. When you reach the intersection of the Freiestrasse with the Hottingerstrasse, you have almost reached your goal, you just need to enter the building on your left.

By public transport

You'll start from the main entrance of the UZH main building, which is located at floor E with the big swinging doors. From the main entrance, you take a right and walk down the Rämistrasse until you reach the tram station called «Zürich, Kantonsschule». There, you can enter tram line 5 in the direction of «Zürich, Laubegg» and stay on for one station until you reach «Zürich, Kunsthaus». At the Kunsthaus, you need to change trams and here you'll want to take tram 3 (in the direction of «Zürich, Klusplatz») for one station until you reach «Zürich, Hottingerplatz». The Gemeinschaftszentrum Hottingen should be on your left.
